

Pioneer Rowing Club

Assessment Fee Acknowledgment

For the 2017 Fall Season, each rower will be required to pay a General Assessment fee of \$570.00 by September 8, 2017

An additional Travel Assessment fee of \$181 will be due September 20, 2017.

You are responsible to pay both the General Assessment and the Travel Assessment if:

- The parent agrees with their child's decision to row.
- The costs of rowing are understood and accepted by you as the parent. *Fees are not prorated or refundable and are due as indicated.*
- The Head Coach has not informed you that your child will not be rowing this season.

In fairness to all rowing families, the treasurer, and the team, every family is expected to turn in the full payment for the General and Travel Assessments, and/or complete a waiver form by the deadlines listed in the "What will rowing cost Fall 2017?" handbook addendum.

Additional fee and hardship waiver information may be found in Section V. Page 9, of the Pioneer Rowing Club Handbook for Rowers and Parents.

Please initial and sign the separate Checklist and Conflicts sheet available at: <https://goo.gl/forms/JQ6gezLv6hZxroz82> indicating you acknowledge you have read, understand, and agree with this document.
